EMC Project No. 12-7016
CDBG Project No. 12P-Y-072-1-5513
Flood & Drainage, Street and Water Improvements

Sealed bids for the project identified as Flood & Drainage, Street and Water Improvements for Kings Gap Village in Harris County will be received at the office of the Harris County Board of Commissioners until 9:00 AM (eastern time) on September 6, 2016 and then at said office publicly opened and read aloud. This meeting will be open to the public. Bids must be mailed or hand-delivered to the attention of Nancy McMichael, Harris County Board of Commissioners, 104 North College Street, PO Box 365, Hamilton, GA 31811. Bids received after the designated time will not be considered.

The Scope of Work includes:

The grading and re-grading of approximately 8,000 LF of roadway to include ditches, installation of approximately 320 LF 18" HDPE, 80 LF 24" HDPE, 321 LF 18" double wall HDPE, 108 LF 24" double wall HDPE, 48 LF 48" double wall HDPE, installation of drainage structures such as flared end section and headwalls, GABC and pavement surfaces and associated erosion control measures, and the installation of 700 LF of 6" PVC waterline, fire hydrants, and other water distribution items to include 21 residential service taps.

A Lump Sum sealed bid will be received to include the following items:

1. Stone Set-up: All work and necessary labor, materials, and equipment to set-up roadway base stone (GABC) and final clipping to include necessary testing to confirm moisture & stone depth to prepare for paving.
2. Asphalt Pavement Installation: All work and necessary labor, materials, and equipment to install 2 inches of asphalt surface course (12.5 mm SP) to include testing to confirm required compaction & depth and installation of prime coat if necessary.
3. Driveways: All work and necessary labor, materials, and equipment to complete the residential driveways as shown in the construction documents.
4. Final Shoulder Grading: Fill all shoulders and edges of asphalt paving to final grade.
5. Final Striping and Signage: Installation of all striping, pavement markings, and signage as shown on the plans. Contractor shall submit a final as-built survey signed by a Georgia Registered Land Surveyor for the entire project.
6. Additive Alternative 1 Final Stabilization: Complete final stabilization to meet the necessary requirements to submit Notice of Termination to Georgia EPD and as shown on plans.

All necessary work shall be substantially complete by October 31, 2016.

Harris County will award the contract to the lowest qualified bidder. Bid, performance, and payment bonds shall be required for this project.

All prices for the Project must be valid for 30 consecutive calendar days from date of bid opening.

There shall be a pre-bid meeting (non-mandatory) on August 23, 2016 at 1:00 PM EST at Harris County Commissioners' Office located at 104 North College Street, Hamilton, GA 31811. Requests for information can be sent via fax to (706) 565-5985 or via email to columbus@emc-eng.com no later than August 30, 2016 at close of business. Any requests for information received after the designated time will not be considered.

Harris County reserves the right to reject any and all bids and to waive any informality in the bidding. No bids shall be withdrawal with 60 days after the actual date of the opening thereof. Bids from noncertified bidders will not be considered.

Section 3 Covered Contract and that Section 3 Business Concerns are encouraged to apply.

The CONTRACT DOCUMENTS may be examined at the following location: Harris County Commissioners' Office, 104 North College Street, Hamilton, GA 31811.

Copies of the CONTRACT DOCUMENTS must be obtained from the office of EMC Engineering Services, Inc., located at 3575 Macon Road, Suite 15, Columbus, GA 31907, (706) 565-5985, upon payment of \$150.00 for each set.

The project will be funded in portion through a Community Development Block Grant from the Georgia Department of Community Affairs.
