

Easy Access: Check Your Property Tax Assessments Online Today!

In today's world, convenience is key. That's why we're excited to announce that checking your property tax assessments is now easier than ever before! Gone are the days of waiting for it to arrive in your mailbox – now you can access this important information with just a few clicks!

Thanks to the user-friendly website, you can now view your Notice of Assessment online. Here's how it works:

1. Visit the qPublic website at <https://qpublic.net/ga/harris/> using any internet-enabled device – whether it's your computer, tablet, or smartphone.
2. Find your property: Click "Search Records" at the top of the page to simply search for a property using the name associated with the property, address or parcel number.
3. View your assessment: Once your property is located, you'll be able to view detailed information about your assessment notice, including the assessed value of your property by clicking the green box labeled "2024 Assessment Notice (PDF)" near the top of the property page.

4. Print or save for your records: Need a physical copy for your records? No problem! Simply print or save the information.

You will now have quick access to your assessment notice, contact information for the Tax Assessor's Office should you have questions, and information about your appeal rights and deadlines to file an appeal.

If you need further assistance or have any questions about your value, please call the Tax Assessor's Office at (706) 628-5171.
